

sea treasures

Kindergallery announces new treasures from the deep sea, wrought by New York artist Tamar Mogendorff. These hand stitched sea-horses and pearls-in-shell are made from silk, linen and vintage fabrics, and create beautiful room sculptures for children.

“Full fathom five thy sea-horse flies,
Of precious silk and linen made,
Those are pearls with sleeping eyes:
Nothing of them that doth fade,
But doth suffer a sea-change
Into something rich and strange.”
